

MINIATURE SCHNAUZERS** Denotes
Breeders of Black, Black & Silver or White
Miniature Schnauzers.

The SCGB strongly recommend that you see the bitch's eye certificate, confirming that she is unaffected by any hereditary eye diseases. Also ask the breeder for a copy of your puppy's eye screening form. It is also a recommendation of the Kennel Club, British Veterinary Association and the breed clubs: that the parents of puppies should have been tested for Mycobacterium Avium Complex (MAC).
