

The Schnauzer Club Of Great Britain
Open Show Sunday 4th August 2013
Giant Schnauzers and Best In Show judged by Kevin Durso

It was an honour and a pleasure to be asked to judge the Giant Schnauzers and Best In Show at the Schnauzer Club Of Great Britain August Open Show held at New Haw Community Centre in Surrey.

I would at this point like to thank everyone that supported the show, both exhibitors and the officers and committee for making the day such an enjoyable one.

My line up for Best In Show were giant Riesenheim Rufus Black, schnauzer Miccosukees Hot Velvet and miniature Mantricks Back In Business, all worthy contenders. My choice for the top honours went to the giant with the miniature taking the reserve.

My line up for Best Puppy In Show were giant Primariesen Comet At Philoma, schnauzer Lasheen Khagrass At Leebren Imp Pol) and miniature Mantricks Back In Business. I chose the miniature, a lovely young man with the best of heads you could hope to see.

Next the veterans, giant Eskaidee Klio At Aligael Sh Cm, schnauzer Ch Khinate Million Dollar Baby Sh Cm and miniature Malenda Maestro Sh Cm. My choice for best veteran was the schnauzer who stood out and demanded it.

The day ended with the stakes classes with more very nice dogs that I had not previously been over.

Once again thank you for a great day, hope you all enjoyed it as much as I did.
