Open Show 24<sup>th</sup> November, 2013

Judge, Mrs. Karen Carroll (Ferncliffe)  
Schnauzer

I would like to thank the SCGB committee for a memorable day, especially the ladies in the kitchen for a splendid lunch.

Thank you to the exhibitors for supporting me, in what is not the best month for travelling. Temperaments need to be kept an eye on, as do mouths, but all exhibits were typical of the breed and had harsh coats.

PD McDermott's 1<sup>st</sup> Ave Concorde Dorian Grey at Lichstone  
Difficult to assess movement as he wasn't very happy. Nice head shape with dark eye. Good harsh coat. A bit light on bone and would have liked more fore chest

JD Lewington's 1<sup>st</sup> Lashio Khagrass at Leebren(imp Pol) RBD  
Black with fabulous coat. Dark eye, but needs a bit more length of forehead. Steady mover with good shoulder and bend of stifle

PGD Lockyer's 1<sup>st</sup> Miccosukees For The Record BD + BOB  
Lovely head eyes and ears. Good rib and fore chest. Energetic movement with good bend of stifle, but wide at shoulder which spoiled movement coming towards.

MPB Allen's 1<sup>st</sup> Miccosukees Meg A Star  
Raw youngster with expressive ears. Steady mover with good tail set

PB Lockyer's 1<sup>st</sup> Miccosukees Hot Secret BP  
Good head shape with dark eyes and neat ears. Good rib and adequate fore chest.

JB Lewington's 1<sup>st</sup> Lasheen Khagrass at Leebren(imp Pol)  
Cobby black with great coat. Good shoulders and fore chest. Good spring of rib leading to short loin and good tail set. Just a bit short on fore leg

PGB Lockyer's 1<sup>st</sup> Miccosukees Rumour Has It RBB  
Good head and expression with neat ears and dark eyes. In good coat. Reasonable mover with good width of thigh. Not the best of shoulders.

OB Lockyer's 1<sup>st</sup> Miccosukees Hit Single BB + RBOB  
Typical expression with dark eyes and neat ears. Strong fore chest, good rib and short loin. Powerful bitch with good width of thigh. Moved round the ring with ease.
