

The Schnauzer Club of Great Britain

Open show 6th August 2017

BIS

I would like to thank the committee for inviting me to judge at their show, and for the lovely hospitality. I was presented with 3 beautiful BOB winners, and would have happily awarded any of them the top spot.

BIS Went to the miniature RISEPARK BORN THIS WAY. A super smart male who has a fabulous outline. Always on his toes and moving out well and soundly. He is one of the most exciting young dogs I have seen for a while.

RBIS went to the masculine schnauzer CH KHANTE GIN FIZZ ShCM, I have judged this dog before and always liked him, in such hard condition he is lovely to go over, I like his head and expression.

BPIS the miniature MALENDIA MAJALIS, a very raw baby already showing well, makes a lovely outline, has a pretty but strong head and taking everything in her stride, a great attitude to have.

BVIS the beautiful giant SCAPMAN'S ELLE NEGRA TO GROVELEA (imp) I really like this girl, shown in fantastic condition and moving so well.
