Minor Puppy Dog
(4/1)

1st Bellgard Black Jenson

6 month black with beautiful head, ears and very dark eyes. Short and compact body. Free moving in profile and sound coming and going. Coat a little soft but hopefully will improve!

2nd Dasval Good And Ready

Bigger dog with correct harsh jacket and more prominent breast bone. Lost out to one in head and ear, and was more loose on the move.

3rd Bellgard Black Bruce

Very much the baby of the bunch. Nice head, eye and ear. Soft in condition compared to the others.

Puppy Dog
(5/1)

1st Ferncliffe's Spark of Genius

10 month male of type. Head of good proportions with keen alert expression and correct ears. Decent shoulder with good chest strong straight top line. Held on move, excellent harsh jacket and free striding sound movement.

2nd Minnienuom Barney Boy Sings

P/S of very nice type. Super clean head with good ear and dark eye, decent shoulder with forechest strong straight topline. Held on the move. Excellent harsh banded jacket. Moved true in front just failed to one in the hock, but lovely dog.

3rd Silver Senator Victor Valentine

P/S

Well-constructed dog with a no frills jacket. What you see is what you get. Good head and eye, decent shoulder, not as together as the others at this time.

1st Lucavale Washington At Andmaura

2 yr P/S of lovely breed type. Well-proportioned head with dark eyes, outstanding dog with rise over shoulder. Short strong back. Sound ground covering movement. I really liked him. (Best P/S)

2nd Taktika Art Dice Game

Contrast to my winner, not such a typical type, a smaller compact male who would benefit from more angulation to give him the reach and drive I was looking for. Carrying too much coat which spoiled his appearance.

1st Zarina's Design Tu Eres Mi Todo (Imp)

20 month male of good type. Lovely head with correct ear and expression. Well laid shoulder with moderate upper arm and forechest. Strong straight topline and correct tail set. Harsh jacket, moved with drive. RCC

2nd Draxpark Lots To Like

Similar in type to one, strong hard coated male with good topline, decent shoulder and forechest. Lost out to 1 in head and expression, being heavier in ear and not so controlled on the move.

3rd Lucavale Washington At Andmaura

1st Foolshouse Capone At Foxwood

Black male of almost 3 years. Excels in breed type for me. Classic head of correct proportions with great width to his lower jaw, height over the withers and a short straight hard topline. This dog is very good in upper arm, has an adequate forechest and presents a very square picture. Good reach in front and drives from behind. D,C,C

2nd Boston Blackstone-N

Nicely headed dog of different type to 1, tall upstanding dog with a well filled front, sloping topline and well angulated rear, moves with determination.

3rd Foxwoods Buster Rhymes at Adreana

Tall upstanding dog with an attractive head of good proportions. Tall upstanding with correct topline and tailset. Great free striding profile movement but just a little bit shallow all through.

Veteran

Ferncliffe Fury,

9 years male that I have previously given a CC to, excellent old fashioned Schnauzer of good type. Strong, well-balanced head and correct dark eye, strong hard body. Well filled at the front, moved steadily around the ring. Best veteran.

1 just had the edge in front extensions

3 Foxwoods Dare To Dazzle

Unfortunately, this baby was a little overwhelmed by the hall but I loved her substance and type. She will be a big winner when her time comes.

Junior

1st Otis Boanergos Sicily

Black female enjoying her day out, very loose in condition making movement difficult to assess.

1st Firezone's Special Delivery

Black female of good type. Nothing exaggerated and all in proportion. Good head of correct proportions. Dark eyes, good shoulder and well filled in front. Nicely angulated both ends and she powered around the ring. I particularly liked her substance and width, B, CC and BOB later R.B.I.S.

2nd Eskaidee Katinka

Bigger rangier girl, with good head and eye. Correct shoulder. Moved very well in profile but didn't have the depth of 1.

3rd Primavista's Got The Look

Different type to first two, attractive head and eye but didn't have the angulation or upper arm I was looking for.

Open Bitch

1st Foxwood's Destiny's Child

Lovely typey bitch with beautiful head and ears, correct shoulder with cracking topline and tailset. Steady sound mover. R, CC.

2nd Stoxiee Duchess

Quality bitch that I have admired in the past. Correct head with good shoulders and well filled front. Topline was a little soft from carrying too much weight but still a quality bitch.
