

SCHNAUZERS

MPD: 1. 1 Livsey's Lefenix Heartful Dodger, typical good size, slightly long-bodied, strong male, nice head and expression, long neck, excellent topline, well developed chest, coat after stripping is extremely short and mostly undercoat, colour difficult to analyse, correct bite and dentition.

PD: 1. 1 Railton's Odivane Master Class with Lefenix, typical medium size, square bodied, solid body, strong bones, nice head, medium long neck, excellent topline, enough chest and forechest for age, good angulations front and rear, high stepping when trotting, harsh coat, even p/s, nice temperament, correct bite and dentition. BPD

JD: 2. 1 Lockyer's Miccosukees Lionheart, typical, good size, square bodied, deep chested male, solid body, long enough head, high set neck, gently sloping strong topline, correct tailset and carriage, excellent angulations front and rear, well extended trot, powerful motive thrusts, excellent coat, perfect p/s colouring, correct bite and full dentition. DCC & BOB

2 Smee & Coleman's Ikarus Alarm Beskyd avec Schnaubern (Imp), typical good size, square bodied male, head a bit too broad in skull, long neck, excellent topline, curled tail, deep chest, needs better forechest, enough angulated in shoulders, good rear angulations, needs better reach when trotting, light p/s, correct bite and dentition

ND: No Entries

PGD: 4 (1abs) 1 Lewington's Perry Mason Grand Calvera at Leebren (Imp), typical good size, nicely balanced male, correct body depth and overall proportions, nice head and neck, good angulations front and rear, good movement, could be better in substance, coat stripped too late and is too short, correct bite and dentition

2 Hallinan & Park's Hingabe Heart Of Gold, typical, almost square bodied male, looks somewhat artificial because of excessive furnishings on legs. Large head, wide in skull and cheeks, long enough neck, excellent topline, curled tail, deep chest, forechest missing, enough angulation in shoulder and correct rear angulations, free gait, soft coat, uneven p/s colour, correct bite and dentition

3 Peffers' Miccosukees Playboy, typical medium size, long bodied male, nice substance, long head, low set neck, good topline, good angulations front and rear, could be more balanced, but handling is bad and dog is not under control, very short coat and very light p/s, correct bite and dentition

LD: 5 (2abs). 1 Wakefield's Khanate Bucks Fizz, typical, rather big, square bodied male, long head, a bit too light ears, nice neck and topline, excellent tailset and carriage, deep chest, sprung enough ribs, good angulations front and rear, harsh coat, p/s colour should be more bright, correct bite and dentition

2 Sanders' Steinhaus Man Of Steel (Imp CAN), typical, not a big male, compact, deep in body, needs longer head and neck, excellent topline, curled tail, good angulations front and rear, balanced gait, harsh coat, even p/s, correct bite and dentition

3 Scholes' Maidluns On The Bright Side, typical good size, long bodied male, long head, low set neck, needs better developed withers, strong back, low set tail, deep chest, prominent forechest, good angulations front and rear, presented in almost undercoat conditions, correct bite and dentition

OD: 7. 1 Bullock's Draco Alarm Beskyd for Ouseview (Imp), typical medium size, square bodied male, correct in depth and substance, good head, high set neck, excellent topline, well developed chest and forechest, good angulations front and rear, enough extended trot, nice temperament, harsh coat, even p/s, correct bite and dentition RDCC

2 Bawden & Brown's CH Khanate Gin Fizz ShCM, typical good size, somewhat long bodied male, nice long head, long neck, excellent topline, deep chest, enough forechest, good angulations front and rear, free movement, harsh coat, light p/s colour, too much furnishings, correct bite and dentition

3 Chapman's Miccosukees Rasputin at Nilchand, typical medium size, square bodied male, long head, high set neck, good topline, good chest, moderate angulations front and rear, high stepping when trotting, harsh coat, perfect p/s, colour, correct bite and dentition

VD: 3 (1abs). 1 Wakefield's Khanate Euro Traveller, typical good size male, long head, high set neck, strong topline, good shoulders, deep chest, moderate angulations front and rear, nice movement, a bit soft coat, p/s colour could be brighter, correct bite and dentition BVD & BVIB

2 Lockyer's Miccosukees Action Man, typical medium size, square bodied, head should be larger, neck should be longer, deep chest, straight front, good rear angulations, needs better reach, harsh coat, even p/s, correct bite and dentition

MPB: 1. 1 Beadle's Lefenix Hearts Content, typical, big enough, square bodied female, enough substance, strong bones, feminine head, correct topline, deep chest, moderate angulations front and rear, good movement, harsh coat, even p/s, correct bite and dentition

PB: 3 (1abs). 1 Bullock's Ouseview's Causing Chaos, typical medium size, a bit long bodied, strong bones, long head, a bit rounded overskull, medium long neck, excellent topline, deep chest and prominent forechest, good angulations front and rear, excellent movement, harsh coat, light p/s colouring, correct bite and dentition. BPB & BPIB

2 Lewington's Oshea Khagrass at Leebren (Imp), typical good size, square bodied bitch, long head, high set neck, good topline, good depth to chest and forechest, good angulations front and rear, needs better reach when trotting, harsh coat, correct bite and dentition

JB: 3 (1abs). 1 Lockyer's Drussilla Of Cindy Land at Miccosukees (Imp), typical medium size, square bodied bitch, solid body, long head, good neck and topline, well developed chest and forechest, good angulations front and rear, nice movement, harsh coat, p/s could be more clean, correct bite and dentition

2 Hole's Rozmic Jemma's Gem, typical good size, long bodied, long enough head, high set neck, very good topline, enough developed chest and forechest, good rear angulations, needs better reach, harsh coat, even p/s, grooming is sloppy, outlines could be more neat, correct bite and dentition

NB: 1 (1abs).

PGB: 6 (4abs). 1 Railton's Lefenix Future Majik, typical, long bodied bitch, long head, high set neck, strong back, low se tail, needs more forechest, good gait, harsh coat, correct bite and dentition

2 Hole's Rozmic Jemma's Gem

LB: 7 (2abs). 1 Bullock's Ouseview Avid Alena, typical good size bitch, nice head, high set neck, excellent topline, well developed chest and forechest, enough front angulations, good rear angulations, enough reach on movement, harsh coat, perfect p/s, correct bite and dentition

2 Atkinson's Westbridge Henchatta, typical, not big, long bodied bitch, long enough head, muzzle could be longer, light mask, well set neck, deep chest and forechest, good front and rear angulations, harsh coat, even p/s, correct bite and dentition

3 Lockyer's Miccosukees The Show Girl, typical, not big, square bodied bitch, long enough head, high set neck, low set tail, deep chest, front angulations correct, excellent rear angulations, free gait, harsh coat, very dark p/s, correct bite and dentition

OB: 7 (2abs). 1 Watson's CH Jalero Miss Iowher, typical, good size, square bodied bitch, solid body, excellent head, long neck, correct topline and tailset, deep chest, sprung ribs, pronounced forechest, excellent angulations front and rear, free balanced gait, good reach and drive, harsh coat, p/s is even, but could be a bit more sparkling, correct bite and dentition BCC & RBOB & I was pleased to see her take BoSex in Show. 2 Fletcher's Fivepits The Detonator, typical, not big, square bodied bitch, long enough head, short neck, strong topline, curly tail, excellent chest and forechest, good angulations front and rear, free gait, harsh coat, even p/s, correct bite and dentition.

3 Hards' Mamma Mia Artax's Angels for Uireda (Imp), typical good size, good enough in substance, long head, too open ears, nice neck, nice topline, good angulations front and rear, free balanced gait, harsh coat, even enough p/s, correct bite and dentition

VB: 4 (1 abs). 1 Bawden & Brown's CH Khanate Euro Millions, typical, not big enough, square bodied, solid body, long head, high set neck, very good topline, a little straight in front, good rear angulations, beautiful harsh coat, correct p/s, correct bite and dentition BVB

2 Watkins Miccosukees Smooth Vanilla, typical, good size, medium long bodied, well balanced bitch, long head, long neck, too arched loin, low tail set, deep chest, correct angulations front and rear, harsh coat, even p/s, correct bite and dentition

3 Pratt's Schabaaal Vashti, typical, big, long bodied bitch, excellent in substance and depth, long head, long enough neck, soft back, sloping croup, good angulations front and rear, free enough gait, harsh coat, correct bite and dentition

Special Beginners D or B: 2 (1abs).
