

SCHNAUZERS – V (0). **MPD (2)** 1 Maiden's Maestro Alarm Beskyd with Maidluns, well presented youngster who carried a strong topline held set up & moving. Only a baby but head is just right for age, he has enough bone & good feet & forequarters. Needs to drop into himself, but when he settled he moved well, put down with just enough coat but showed promise, I feel he is quality & should finish well. **BPD & BP;** 2 Lockyer's Miccosukees Look At Me, solid puppy with plenty of substance, he is well boned & forward for age. Just needs to tighten up to complete picture for he has an excellent head & expression & a good neck into well made shoulders. **PD (2)** 1 Maestro Alarm B with M; 2 Lockyer's Miccosukees Apache, close up & very similar type to 2 in MPD. Set up he is balanced with a good body coat & condition, enough neck & a strong topline. Well set ears but I feel needs more off the head furnishings, good width of skull. **OD (2,1a)** 1 Dixon's Elnajjar Dawn Walker, alone but a worthy winner, mature Schnauzer who moved so well, put down in excellent coat & condition, lovely topline & tailset, he has a masculine head & expression.
