

SCHNAUZER CLUB OF GREAT BRITAIN

November 20, 2022

The Schnauzer Club of Great Britain held an open show for the first time in conjunction with their championship show at The Sports Connexion, Ryton-on-Dunsmore. This, to my eyes, seemed a great success, giving exhibitors a chance of two shows to enter at on one day at the same venue & it also gave the Club a chance of getting better revenue on the day.

A lovely atmosphere around the four rings with exhibitors obviously enjoying a chance to watch all the dogs in their classes and showing support for all.

I was lucky enough to be given a chance to judge the open show & I would like to thank my two good stewards for looking after me & the ring all day. When the three breeds had been judged, I then chose **BIS, which went to the Giant, Dasval Little Big Man; RBIS** was the Miniature, Dayporium The Conjuror at Jennayr; **BPIS** was the Miniature, Violis Storm Tracker & **BVIS**, the Miniature, Nujax School of Rock.
